

Lots of Green Youth Greening Grant Program

This special grant opportunity was funded through the Centers for Disease Control and is being led by the University of Michigan. Youth involvement (ages 10 – 24) must be at the core of proposed projects for this opportunity, and researchers will be monitoring project implementation. **Funds awarded can be used to pay stipends to youth involved in the project!** This funding will be awarded to improve currently vacant and unused lots – they cannot be used for improvements to existing projects. Contact Liberty Merrill at YNDC (330.480.0423) with any questions!

Attendance at application training sessions is mandatory for this grant. Please see dates and times below:
